**Purissima Emelda Egbekpalu, PhD** is a bonafide member of the Sisters of Jesus the Saviour, Nigeria. She is a Senior Lecturer in the department of Philosophy in Madonna University, Nigeria and an adjunct staff in Bigard Memorial Seminary, Enugu in Nigeria. She holds her PhD in Philosophy and MSc in Psychology. Her passion to understand the meaning of life made her to venture into existential philosophy and developmental psychology. These vested interests in philosophy and human development motivate her always anew to search for and highlight the concrete meaning of human existence. These too prove her strong quest for logotherapy and engagement in concrete existential issues of life that led to her authorship of works on existentialism and

logotherapy. She has also contributed to many book chapters, proceedings and has many journal articles to her name. She has attended and presented various local and international conferences and has as well-organized workshops and seminars at various levels and edited some works. She belongs to professional bodies of Association of Professional Philosophers of Nigeria (APPON), International Society for the Study of Behavioural Development (ISSBD), International Society of Research on Edeh's Philosophy and Theology (ISREPAT), Edeh's Philosophy of Thought and Action (EPTAISM), Kierkegaardian Scholars of Nigeria (SKIASON). She is a polyglot and has received many awards from various bodies especially for academic diligence and service to the community.
